

pagoda multi modular

Pagoda multi - 5m x 5m modular
The Multi-Modular Pagoda is a clever adaptation of the original 5m x 5m structure, increased in both length and width to cover large areas economically. The opportunities and configurations are limitless.

Typical Applications

- Shaded Dining or Play area
- Kiosk Cover
- Link Walkway

Size options

- 5m x 5m modular units - Infinitely expandable, up to you!

Technical details:

Framework

Legs are mild steel, in either a galvanised finish or polyester powder coated to most RAL colours. The canopy framework is anodised aluminium.

Fittings

Marine grade (316) stainless steel fixings plus anodised aluminium extrusion.

Fabric canopy options

- PVC coated polyester, available in 8 colour-fast shades, with a life expectancy of 20 years.
- Environmentally friendly Solar Glass Weave fabric, in off-white colour only, with a life expectancy of 30 years.

Installation

The 10 Section Pagoda can typically be installed in 2 days, on to concrete foundation pads by others. Requires good access for light plant equipment and installation.

Plant Machinery

- Manual Lifter/Stacker
- Scaffold Tower or Podium Steps

Foundations

Please request a Concept Visual of your preferred layout or a General Arrangement drawing for more details.

Award Winning Design

Adds a new dynamic to any environment

Customisation

Choose your colour palette for each section.

Smart rainwater

Rainwater is controlled and directed within the legs to below ground
