

pagoda 4 section

Pagoda - 5m modular

The Iconic Pagoda structure is a truly multi-functional and modular canopy - it can be extended in infinite width and lengths to create both clear span cover and cover with integral supports

Typical Applications

- Outdoor Classroom
- Meet & Greet Shelter
- Performance Area
- Play Area
- Walkway
- Shaded Focal Point

Size options

- 5m x 5m (4-sections) - Infinitely expandable

Technical details:

Framework

Legs are mild steel, in either a galvanised finish or polyester powder coated to most RAL colours. The canopy framework is anodised aluminium.

Fittings

Marine grade (316) stainless steel fixings plus anodised aluminium extrusion.

Fabric canopy options

- PVC coated polyester, available in 8 colour-fast shades, with a life expectancy of 20 years.
- Environmentally friendly Solar Glass Weave fabric, in off-white colour only, with a life expectancy of 30 years.

Installation

The Pagoda can typically be installed in 1 day, on to concrete foundation pads by others. Requires good access for light plant equipment and installation.

Plant Machinery

- Manual Lifter/Stacker
- Scaffold Tower or Podium Steps

Foundations

Four below ground concrete foundation pads for four steel legs. Please request General Arrangement drawing for more information.

Iconic Form

Award winning canopy is striking and provides excellent shade and shelter

Customisation

Choose your colour palette for each section

Smart rainwater

Rainwater is controlled and directed within the legs to below ground
