

sirocco

Sirocco - 5 and 6m

A strong architectural statement designed with a contemporary twist; it is both fun and functional and will provide multi-use shelter for an array of applications.

Typical Applications

- Performance Area and Focal Point
- Meet and Greet Shelter
- Outdoor Classroom and Play Area

Size options

- 5m x 5m
- 6m x 6m

Technical details:

Framework

Framework is mild steel, in either a galvanised finish or polyester powder coated to most RAL colours.

Fittings

Marine grade (316) stainless steel fixings plus anodised aluminium extrusion.

Fabric canopy options

- PVC coated polyester, available in 8 colour-fast shades, with a life expectancy of 20 years.
- Environmentally friendly Solar Glass Weave fabric, in off-white colour only, with a life expectancy of 30 years.

Installation

The Sirocco can typically be installed in 1 day, on to concrete foundation pads by others. Requires good access for plant machinery and installation.

Plant Machinery

- Cherry picker or Scaffold Tower
- Telehandler

Foundations

Four below ground concrete foundation pads for four steel legs. Please request General Arrangement drawing for more information.

Organic form

Soft organic form enhances any outdoor environment

Mix and Match

Coordinate fabric and steel colours to make an impact

Easy Maintenance

Single curved mast design allows for easy maintenance
