

skylar

Skylar 3m, 4m and 5m

The eye-catching Skylar structure combines sculpture with shade for use in an array of applications. From signage and way marking to walkways of multiple units, this canopy is both fun and functional. Transform an entrance area or direct foot traffic using colour, shape and shelter.

Typical Applications

- Signage
- Sculptural Shade
- Walkway

Size options

- 3m wide
- 4m wide
- 5m wide

Technical details:

Framework

Framework is mild steel, in either a galvanised finish or polyester powder coated to most RAL colours.

Fittings

Marine grade (316) stainless steel fixings plus anodised aluminium extrusion.

Fabric canopy options

- PVC coated polyester, available in 8 colour-fast shades, with a life expectancy of 20 years.
- Environmentally friendly Solar Glass Weave fabric, in off-white colour only, with a life expectancy of 30 years.

Installation

The Skylar can typically be installed in 1 day, on to a concrete foundation pad by others. Requires good access for light plant equipment and installation.

Plant Machinery

- Lifter stacker
- Scaffold Tower or Podium Steps

Foundations

One below ground concrete foundation pad for one steel leg. Please request General Arrangement drawing for more information.
